Accounting: Text & Cases is a product of lifelong dedication to the discipline of accounting. Covering both financial and managerial accounting as well as broader managerial issuesI used this text for class and was not impressed. There were a number of editing mistakes that made the problem sets frustrating and we ended up turning to another book in the end. The actual instructional material was adequate, dry, but then it's an accounting text so that's to be expected.Access Accounting Texts & Cases, 13E by Robert N.
