

Tempest 1 Julie Cross

Tempest 1 Julie Cross - Julie Cross's "Tempest" is a book I know I'm going to have a hard time discussing without feeling major pangs of guilt gripping me from the inside, because it should've been a story I enjoyed. I didn't enter the book with any major expectations. New York Times bestselling author, Beth Revis on Tempest: "Julie Cross's thrilling debut is brimming with excitement, romance, and intrigue. I couldn't turn the pages fast enough!" The year is 2009. Nineteen-year-old Jackson Meyer is a normal guy... he's in college, has a girlfriend... and he can travel back through time. Julie Cross lives in central Illinois with her husband and three children. Julie is a YMCA Gymnastics Program Director, which means she works with lots of teenagers, who help to inspire the characters she creates. The Tempest is her first novel for young adults.
